

R. Weinstein

Tel: (808) 591-8331

“Serving Hawaii’s Healthcare Professionals since 1984”

At R. Weinstein we truly believe in the personalized customer experience, and are proud to be serving the Hawaii market. We believe too much automation with online ordering, automated phone prompt systems, and a lack of the human interaction is not such a good thing. We believe in taking extra special care of our clients and always go the extra mile!

Thank you Hawaii for blessing us with your support!
