2017 is off to a quick start and the days seem to go by faster every day. The Doctors' Superstore is your one-stop source for all of your pharmaceutical, vaccine, point-of-care tests, supplies, disposables and medical equipment needs from the leading manufacturers. If you have patients that received their initial dose of Hepatitis A vaccine, now is the time to contact them to schedule their second dose to complete their series. Weinstein Pharmacy also has plenty of Hepatitis A vaccine on hand as well as a comprehensive inventory of travel and all other vaccines.

It's a pleasure serving you!
